The vision of the St. Louis Suburban School Nurses Association is to promote recognition of the school nurse by all stakeholders.

SLSSNA honors outstanding school nurse leaders through awards in the following areas:

-  Life membership
-  Friends of School Nursing
-  School Nurse of the Year
-  School Nurse Administrator of the Year
-  Outstanding Service of a School Nurse

Visit SLSSNA and MASN at:

www.missourischoolnurses.org

Visit the National Association of School Nurses @ www.nasn.org

"We know that students need to be healthy to learn. School nurses play a vital role in making sure children are healthy and ready to learn."

-
Arne Duncan, Secretary, U.S. Department of Education

ST. LOUIS SUBURBAN
SCHOOL NURSES[®]
ASSOCIATION

Our mission is to educate, support and enhance professionalism of School Nurses in the promotion of school health.

-  Access to available resources to enhance your practice

Healthy students are better learners.
VISIT US AT WWW.SLSSNA.ORG

St. Louis Suburban School Nurses' Association is a district of the Missouri Association of School Nurses. We serve and support approximately 340 public and private school nurses in the metropolitan St. Louis area. We offer monthly meetings featuring speakers on topics of various interests to our membership. We present an annual Fall Workshop in October and co-sponsor School Nurse Survival Training every summer.

SLSSNA provides Board of Director representation on the Missouri Association of School Nurses'.

SLSSNA contributes to the enhancement of school nursing practice.

SLSSNA encourages and recognizes excellence in school nursing practice

10 ESSENTIAL REASONS WHY YOU SHOULD JOIN SLSSNA

1. SLSSNA establishes networking throughout the county, state, and national level representing school nurses.
2. SLSSNA reviews and monitors any health legislation impacting school health.
3. SLSSNA provides and shares the most current information available on professional school nursing.
4. SLSSNA provides opportunities for meeting together for education, pooling resources, support and friendship of school nurses.
5. SLSSNA promotes and expresses common interests of school nurses to the health community and public.
6. SLSSNA provides its members an opportunity to actively participate in Missouri's school nursing issues and interests.
7. SLSSNA speaks on behalf of school nurses to help reduce the nurse to student ratio.
8. SLSSNA promotes and advances quality school health services and health education throughout the St. Louis area.
9. SLSSNA works towards the promotion of continuing education for school nurses.
10. SLSSNA works together to set new goals and further development of school nursing practice.
