# FOCUS ON THE FRAMEWORK

## Focus on the Framework: Care Coordination

### A Program for School Nurses

*Focus on the Framework: Care Coordination* is an interactive program geared towards helping school nurses to develop a deeper understanding of their role in chronic condition management, interdisciplinary team approaches, motivational interviewing, student health care plans, transitional planning and student self-empowerment. Bring this course to your organization and watch your school nurses soar to new heights in their practice approaches to student-centered care. Put *Framework for 21<sup>st</sup> Century School Nursing Practice™* into action now!

### CONTINUING EDUCATION:

6.50 CNE Contact hours awarded for attending the full program and completing an evaluation.

*National Association of School Nurses is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.*

*(NASN is approved by the California Board of Registered Nursing, Provider Number #CEP 12292)*

### LEARNING OUTCOMES:

*Upon completion of this presentation, school nurses will be able to:*

1. Describe how the Framework for 21<sup>st</sup> Century School Nursing Practice™ (the *Framework*) reflects a mindset for contemporary school nursing practice.
2. Articulate the practice components of care coordination as described in the *Framework*.
3. Explain how care coordination is used to provide 21<sup>st</sup> century school nursing when addressing the health needs of students.
4. Apply the practice components of the care coordination principle to the nursing process.
5. Describe potential strategies and actions to help students and their families reach their identified health and academic goals through care coordination.

NASN programs are written for registered nurses employed in the specialty of school nursing.

NASN is partnering with the School Health Program at the Missouri Department of Health to offer this program at no cost to school nurses. This program will be offered the Friday before the Missouri Association of School Nurses Spring Conference, April 18-19, 2020. This workshop will be held at the same location as MASN: The University Plaza Hotel in Springfield, Missouri. Registration is required. No onsite registration will be accepted.

Information for Registration will be sent in January, 2020. Questions: [Marjorie.Cole@health.mo.gov](mailto:Marjorie.Cole@health.mo.gov)
